ASSU Special Fees

QUESTIONS & ANSWERS

Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.

Yes. We've been awarded Special Fees for each of the last three years.

If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why?

Yes. Last year, we had significant residual funds from one time transfers that we brought forward to this year's budget. However, this year, that funding is no longer available. Also, we are expanding the competitive potential of our third team, as well as possibly expanding to four teams to meet student demand to compete.

Please define the services provided by your group with the Special Fee, as per the ASSU Constitution:

Article V, Section 2.A.5: "Student organizations that receive a Special Fee may not deprive any member of the Association of any or all of its services unless that member has obtained a refund of that organization's fees. However, during a given year, a student organization may not charge a total amount greater than its per capita Special Fee for services provided to members of the Association outside of that organization's funding population." The Special Fee will allow us to continue holding our annual Mock Trial symposium, which educates high school students and the greater Stanford community about the activity and general public speaking skills. We will also be able to represent Stanford at intercollegiate competitions around the country.

What are the three largest line item requests in your budget and why?

Most of our budget goes to travel expenses. Airfare to Portland, Florida, and Tucson for all of our qualified teams is the most significant line item. Next, there are hotel costs and rental cars for transportation to our rounds. Travel and accommodations are generally the most significant expenses involved in attending a tournament.

What is the average attendance at your events?

Tournaments range from 150-600 participants or 12-60 teams.

How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?

We publish flyers and send emails. We have registered with Stanford.

If you are an umbrella group, please list the groups for which you are applying for Special Fees, their ASSU account numbers, and contact

information for their financial officers. We are not an umbrella group.

Please list all:1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special

Our current assets are \$12,617.23, and are reserves are \$808.83. Depending on the victories are team accumulates, we expect to forward between \$1000 and \$4000 to next year's budget.

What events/programs does your group hold throughout the year for the Stanford Community?

Every year we hold a Mock Trial symposium dedicated to teaching the Stanford community about trial law. We hold basic seminars on trial procedure and also give a demonstration of our own case.

Why are you requesting Special Fees?

Through Special Fees, our group can continue representing Stanford at tournaments around the country. Stanford Mock Trial has consistently performed well at our regional competitions and in recent years, has sent multiple teams to Nationals - a feat matched by few other programs. Nonetheless, it takes more than talent and hard work to get to Nationals. There are substantial travel costs involved with attending tournaments, such as airfare and accommodations.
