QUESTIONS & ANSWERS

Briefly, why are you applying Joint instead of as Undergraduate or Graduate only? N/A

How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?

We use flyering as publicity for all our events. In addition to this, we publicize through Facebook events, word of mouth, email, and our group website. Yes.

If you are an umbrella group, please list the groups for which you are applying for Special Fees, their ASSU account numbers, and contact

information for their financial officers. $\ensuremath{\mathsf{N/A}}$

Please define the services provided by your group with the Special Fee, as per the ASSU Constitution:

We provide an open forum for students to talk and learn about social, political and cultural issues involving the Black community at Stanford the greater community.

Please provide four contacts for your group (two undergraduate, two graduate).

These individuals should be prepared to be called by the Undergraduate Senate or the GSC during the evaluation of the group. Please list their name, title in organization, school/degree program, e-mail, and phone. Stephanie Epps co-president senior sepps@stanford.edu

Deawodi Ladzekpo co-president senior sepps@stanrord.edu

What events/programs does your group hold throughout the year for the Stanford Community?

All of our events, with the exception of Frosh Convocation, are open to all the campus. These events include Kwanzaa Celebration, Battle of the Bay, and Black Love, which are attended by a wide representation of students on campus.

What percentage of your beneficiaries are (explain basis or how this was determined) graduates and undergraduates?

Most of the people that attend our events are undergrads, an estimated 90%. The other 10% would be grads or off campus people, but only for a few of our major events. Our smaller scale events are attended generally by all Stanford Undergrads but our concerts bring in a small off campus and grad attendees.

Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.

Yes. We have applied for and received Special Fees for the past 3 years, with the average amount recommended by the Senate being over \$30,000.

If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why?

We are asking a modest percentage increase over the approved amount from last year in order to sustain the higher level and quality of programming we strove to achieve this year and hope to continue next year.

List separately your group's plan and budget for reaching each target audience for Graduate Students- 1) On-campus, 2) Off-campus, and Undergraduate Students.

The way the BSU targets its audience is through flyering, emailing, and Facebook for Grads, Undergrads, and Off Campus people. Our events have different focuses that appeal to a broad range of people, some of which consistently attend our events and some of which only come to few because of time constraints or varied interests, like any other VSO.

Please list all:1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special

1) \$45,045.65 2) 8,752.22, 3) N/A 4) 45.66, The Stanford Fund

What are the three largest line item requests in your budget and why?

For this upcoming year, our 3 largest line item requests are Event Food, Honorarium, and Equipment Rental. Many of our events are dinner programs, where we feed hundreds of students as part of a larger program and food is essential. Honorarium is also a large necessity for us as many of our events have speakers intended to inspire and motivate our audience; we also have to pay for DJs for certain events. Having DJs and speakers at numerous events requires a lot of aid for Events and Labor Services, and is the reason behind Equipment Rental being such a large line item.

What is the average attendance at your events?

On average, there are approximately 250 to 300 at each event, but many of our events have well over 450 attendees. We host events that are small scale, intimate settings that have an average of 35 people but can be as large as 500.

Why are you requesting Special Fees?

As a large group encompassing the entirety of the black community and reaching out to the entire Stanford community, our programming is extensive and the numerous large-scale events we organize cannot be covered by only \$6000.
