QUESTIONS & ANSWERS

Briefly, why are you applying Joint instead of as Undergraduate or Graduate only?

under grad only

How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?

We provide quality events for students of the Stanford Community throughout the year, reflecting our mission of bridging the dialogue gap between Muslims and the Stanford Community.

Please list all: 1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special

information for their financial officers.

Due to the number of high-profile speakers we bring to campus, our honorariums take up the largest part of our budget, but allow us to bring quality speakers to enrich the Stanford Community.

Please define the services provided by your group with the Special Fee, as per the ASSU Constitution:

We make paper fliers, poster fliers and flier extensively across campus. This is in addition to placing press releases to the Daily, the San Jose Mercury and we also post events on event.stanford.edu. Additionally, we routinely send mass emails with e-fliers across many lists on and off campus. Also, we post events and audio records on line at msan.stanford.edu. We also publicize widely through Facebook events and groups.

Please provide four contacts for your group (two undergraduate, two graduate).

These individuals should be prepared to be called by the Undergraduate Senate or the GSC during the evaluation of the group. Please list their name, title in organization, school/degree program, e-mail, and phone.

Mohammad Ali-moali88@gmail.com 650-862-4515

What events/programs does your group hold throughout the year for the Stanford Community?

IAS, SOCIAL JUSTICE, PROFESSOR LUNCHEONS

What percentage of your beneficiaries are (explain basis or how this was determined) graduates and undergraduates?

5/95

Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.

Yes. MSAN has applied for Special Fees for all of the past 3 years and been successful which provided the organization with the means to improve and increase its programming for the past three years. Because special fees is a stable funding source, the organization has been able to better plan and execute events over the course of the past three years.

If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why?

Yes we are requesting an increase this year. This year's Islamic Awareness Series and Comedy Event have been heavily funded by major sponsorships from VPUE and the Abbasi program, both who cannot commit huge funds in the future, so we need special fees funding to sustain our large scale future programming. Over the past 11 years, MSAN has enriched this school by organizing programming that has brought the Stanford community together in a spirit of fun and learning and we hope to continue to do the same next year!

List separately your group's plan and budget for reaching each target audience for Graduate Students- 1) On-campus, 2) Off-campus, and Undergraduate Students.
