## QUESTIONS & ANSWERS

**Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.**

Yes. We got them.

**If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why?**

Last year, we applied for \$11,000 and received \$10,160. This year, our request is \$10,400. We are increasing our request from the amount we received last year because inflation is increasing the cost of our events.

**Please define the services provided by your group with the Special Fee, as per the ASSU Constitution:**

We create open social spaces on campus and encourage political activism for the achievement of queer rights.

**What are the three largest line item requests in your budget and why?**

QSpots are small social events that provide an alternative to the alcohol + party scene for queers. We put on these events because there are so few of them aimed at queer people (and at allies, and at lesbians, etc).

Genderfuk is an event that denormalizes gender hierarchies. Because of its mass appeal, it brings queer issues to people who are otherwise disengaged.

Each of our Queer Education Weeks raise awareness about a particular issue in the queer community (ie, trying to get more people to be allies or understand about international queer issues).

**What is the average attendance at your events?**

Genderfuk: hundreds come and go throughout the night. At least 50-100 are there the whole time.

QSpots: we have 3 events in this category per term, each with about 30 people attending, so about 270 people in total.

Education Weeks: we have one educational week each term, each with 2-3 events that have 20-30 people, so 120-270 people in total, or about 200 people on average.

Queer Formal: We expect 60-80 attendees

**How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?**

Emails, fliers, chalk, posters, speaking to groups.  
Yes.

**If you are an umbrella group, please list the groups for which you are applying for Special Fees, their ASSU account numbers, and contact information for their financial officers.**

We are not an umbrella group, though we do support other queer groups on campus.

**Please list all: 1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special**

The only assets and reserves we have are in our mygroups account. We have no authorized or unauthorized non-assu bank accounts or sources of funding other than special.

**What events/programs does your group hold throughout the year for the Stanford Community?**

queer formal, genderfuk, qspots, educational talks, movie screenings

**Why are you requesting Special Fees?**

To create open social spaces on campus and encourage political activism for the achievement of queer rights.

Since QSA is the only QVSO getting special fees, we also serve a central role in the queer community by cosponsoring events put on by other QVSOs.
