## QUESTIONS \& ANSWERS

Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.
We have applied for Special Fees for each of the last three years and we have been successful each year, in both the petitions and elections.

If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why? No increase.

Please define the services provided by your group with the Special Fee, as per the ASSU Constitution: Bringing funk to the funkless.

How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?
Most of our events are planned as a surprise, therefore advertising is through word of mouth. When advertising is necessary, we use flyers and mass emails.

If you are an umbrella group, please list the groups for which you are applying for Special Fees, their ASSU account numbers, and contact
information for their financial officers.
N/A

Please list all:1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special

1) 2800 checking account - $\$ 2,289.38$; current balance of $10-11$

Special Fees budget - $\$ 42,986.78 ; 2810$ savings account $-\$ 5,542.19$
2) Current balance of reserves - $\$ 35,003.18$
3) $N / A$
4) Occasional gifts from alumni, the athletics department

## Leland Stanford Junior University Marching Band 5051

[\#6148]

## What are the three largest line item requests in your budget

 and why?Our largest line items are: Equipment Purchase - This is our largest line item. We require money to purchase instruments, uniforms, and materials for our field shows, as well as other expenses throughout the year. I will enumerate this line item based on how we categorize our expenses. Acquisitions. The Band provides an instrument to every member of the band. These instruments require consumable maintenance supplies on an ongoing basis. The woodwind sections require reeds, mouthpieces, and cleaners ( $\$ 4500$ per year), the brass sections require lubricants and mouthpieces (\$2000 per year), and the drums require sticks and replacement heads ( $\$ 2000$ per year). In addition, we request $\$ 1000$ for the purchase of new hardware and cymbals for the drum set. Total: $\$ 9,500$. Computers and technology hardware. We require consumable computer supplies such as disks throughout the year, for an estimated cost of $\$ 300$. Total: $\$ 300$. Props. The Band's field shows are an integral part of each Stanford football game. We write two new shows for every home game and at least one road game, and we require building materials and paint to make props for each show. Total: $\$ 1500$. Other hardware. Additionally, we require building materials and hardware to keep up our Shak throughout the year, unrelated to the field shows. Total: $\$ 3500$. Cases. We require new cases as they become worn out. We need cases to safely transport our instruments to away games for football, basketball and women's volleyball. Total: $\$ 300$. Uniforms. We require a significant amount of money to provide costumes and uniforms for the Band. The Drum Major requires $\$ 3500$ for costumes throughout the year. The majority of this money ( $\$ 2800$ ) is spent during football season, at about $\$ 350$ for each home game, as well as Big Game, one road game, and a possible Bowl Game, and the rest ( $\$ 700$ ) is spent during spring quarter. The expenses of the Drum Major are necessary to maintain the spirit and appearance of the Band at all of its performances. The Tree serves to provide spirit and visibility for the Band and for Stanford, and we request $\$ 2000$ for the Tree costume. Lastly, the Band purchases uniform hats for all its members once a year, for $\$ 1750$. Total: $\$ 7250$.
Security Services - This line item covers security expenses for the fall and spring band runs. These rallies are very important events for the student body. We are required to pay for police at these events in order to keep the participants and property safe. The fall rally generally costs about $\$ 7000$. We budget an additional $\$ 3000$ for the spring rally.
Equipment Mainentance - Due to the large amount of property the Band maintains, we have significant maintenance expenses. Dry-cleaning our uniforms annually costs about $\$ 1000$. We request $\$ 2300$ for repairs to the valves and tubing of our trumpets, mellophones, and trombones, as well as $\$ 500$ for drum repairs. Repairs to bits, necks, and tubing for our sousaphones cost about $\$ 2500$, and repadding our woodwinds, fixing dents, and adjusting metal carriages will cost an estimated $\$ 2800$.

## What is the average attendance at your events?

Attendance at our events varies widely depending on the type of event. We have an audience of upwards of 30,000 at home football games and 6,500 for basketball games in Maples Pavilion. We also play at a variety of other sporting events, such as men's and women's volleyball, women's lacrosse, triathlon, and field hockey. Our main campus events, the fall and spring all-campus band runs, draw an audience of around 1,000 students each. We also play at a variety of community and campus events, such as Special Olympics, local schools, Relay for Life, and Big Game week rallies (both on campus and in San Francisco) which have anywhere from 40 to 200 people in attendance. Approximately 200 students participate over the course of the year. There are over 100 regular participants.

## What events/programs does your group hold throughout the year for the Stanford Community?

Aside from playing at all home football, women's volleyball, and men's and women's basketball games, and numerous other sports, the band holds several campus performances every year. We hold two all-campus band runs, one the first night of New Student Orientation and one the first week of spring quarter. We perform multiple times on campus as part of Big Game week, including every Gaieties performance. During spring quarter we also perform at Admit Weekend, hold Dollie Splash (introducing the new Dollies to the student body), Fountain Rally (playing at multiple campus fountains), and Library Rally (playing in campus study spaces just before finals week). We are also frequently invited to play on campus for other events.

Why are you requesting Special Fees?
The Leland Stanford Junior University Marching Band plays an indispensable role in the Stanford community at sporting events, campus performances, and outreach events. We are requesting Special Fees as an entirely student-driven organization. We are committed to supporting Stanford athletics from the regular season to the national championship. We seek to entertain and amuse the student body and the surrounding community. To do this, we need money for supplies and maintenance costs.

## BUDGET DETAIL

Event Food
(Undergraduate Special
Fees/Annual)
expenses in order to provide for its large membership, especially during football season. We provide a small breakfast to the full football band prior to every Saturday field rehearsal, since these rehearsals must be scheduled before the dining halls open. This costs about $\$ 1000$ for the season. Occasionally football schedules also prohibit band members from eating lunch and/or dinner at dining halls; we provide a meal in those situations, this is about $\$ 500$. We also provide drinks and water during sporting events to stay hydrated, which costs about $\$ 500$. We also require $\$ 500$ for miscellaneous food for large recruiting and social events. Lastly, the Band plays for a variety of off-campus community service events throughout the year that often overlap with dining hall hours; we budget $\$ 1000$ to provide a small meal for members on those occasions.
Our landline phone in the Band Shak costs about $\quad \$(1,600.00) \quad \$ 1,600.00 \quad \$ 1,600.00$ $\$ 130$ per month, billed all twelve months of the year. Additional other expenses are required on occasion. It is essential that we have a phone in the Shak so we can be reached about performance opportunities, and Band management needs to be able to make calls frequently. We therefore request $\$ 1600$ to maintain our phone service.
We require some money for postage in order to $\quad \$(350.00) \quad \$ 350.00 \quad \$ 350.00 \quad \$ 350.00$ maintain our Post Office box, which receives bills from companies we work with, as well as correspondence from alumni and people interested in the Band program. Additionally, we need to mail out materials throughout the year to maintain contacts with our community. We require some money for postage in order to maintain our Post Office box, which receives bills from companies we work with, as well as correspondence from alumni and people interested in the Band program. Additionally, we need to mail out materials throughout the year
to maintain contacts with our community.
